

YES WE CAN LIVE WELL LIVE HAPPY!

Regardless of age, we can
enjoy Life & all Activities
out there!

You are NOT alone. We are all in
this together. At least one in four
women will share this with you.

Urinary & bowel incontinence can bring about uncomfortable
experiences and halt your favourite activities. If you find out the
cause of it, there are high chances* of treatment & cure, especially
for mild conditions.

Asia HealthPartners (AHP) cares for your well-being. Visit us to evaluate the causes of your
uncontrollable urinary & bowel conditions and pelvic floor dysfunction. Be treated today.
